*The W Hotel's rooftop bar aims to be the new "it" spot in town.*

## DC-OLOGY

### NEW KID ON THE BLOCK

This summer brings the long-awaited opening of the **W WASHINGTON, D.C.** in the former Hotel Washington space. Adjacent to the White House, the historic site boasts ultra-modern meeting rooms, a dramatic 1920s-style grand ballroom, and breathtaking city views from the Moroccan-inspired rooftop lounge and bar. Along with the 317 guest rooms, the hotel features a signature Bliss® spa and chef Jean-Georges Vongerichten's J&G Steakhouse. *Opens July 2009, 515 15th St. NW, 202-661-2400, [www.whoels.com](http://www.whoels.com).*
